

Apohaqui Elementary School

Kindergarten - 5 School Supply List

AES will be providing student school supplies in the fall for a nominal fee of \$50 per student.

This covers all classroom materials required at school for the year as well as the student activity fee. This fee can be paid through School Cash Online

<https://asds.nbed.ca/about/cashless-schools/>.

Parents need only supply two (2) boxes of Kleenex, headphones, water bottle, lunch can, book bag and indoor shoes.

We ask that the school fee be paid by Sept. 25, 2026. If you require an alternate arrangement for payment, please reach out to our principal, Jeff Johnston, at jeff.johnston@nbed.nb.ca beginning in September.

Note: For your child's safety, never place names on the outside of lunch kits or book bags.
